ON.12738 / 20 July, 2011

Dear all,

We are pleased to put forward this report for the first quarter of the financial year 2011 - 12.

This year began with preparations of 8th Annual day. As you all are aware, we had a great event on June 11th, 2011. We were honored by presence of Shri. Arvind Inamdar, Ex- DG, Maharashtra Police Chief Guest of the program. Formal function was followed by Musical performance by Shri. Jitendra Abhyankar & Ms. Yogita Pathak - Godbole.

A New member Ms. Minal Vanarse joined our team as 'Coordinator - Outreach programs' in May 2011. Her appointment has proved to be very fruitful. One major of outreach programs is 'Gynaec Onco-Screening Program' which we are running since Dec. 2009. However, persuading partner NGOs and women themselves for investigations was quite a Herculean task. Minal has taken the challenge well and I must mention that since last month, the program has been streamlined to a great extent. More than 100 women underwent investigations in both the months June & July and percentage of women coming for follow up also has gone up from 40% to 80%.

Another challenge before Samavedana is reaching out to patients. As Samavedana help is need based and the beneficiaries are scattered, it is very difficult in reaching to them. We have started one initiative this year, in order to tackle this. We have started sending letters to *Sarpanchs & talathis* of the villages, from where earlier patients had come. In the nest stage, we will reach out to other villages as well.

I take this opportunity to thank you all for your grand support to this mission and hope that it will be continued in the coming years. We request you to give us your E-mail address, for faster, cheaper and easier communication. You can mail us on samavedana@gmail.com. You may also follow us now on Facebook.

Wishing you all the luck, success and most importantly good health in the future!

With warm regards,

Preeti Damle
Chief Executive Officer
