ON.15073 / 20 Oct, 2011

Dear all,

WISH YOU ALL A VERY HAPPY & PROSPEROUS DIWALI!

We are pleased to put forward this report for the second quarter of the financial year 2011 - 12.

This quarter witnessed preparation for events to be held on October 2011. We also experienced an all time high number of patients in the month of August 2011, we helped 21 patients.

We had informed you about our efforts for approaching *Sarpanchs & talathis* for referring patients. We had approached total 40 of them. Very sad to mention that the response was zero. Not even the acknowledgement. We, therefore, have stopped this activity. We would appreciate, if you could suggest any methods of approaching to patients, who are scattered all over and need Samavedana help only once in a while, in case of major ailment.

You all know that we have always strived to run Samavedana by using management techniques. We have started implementation of '5S'- a technique used to manage documents & office systems. We take it pride to mention that we won the 'Most Appropriate Theme' & 'Best Team work' award, in an inter-departmental competition on implementation of 5S, held by Sahyadri Hospitals in September 2011.

I take this opportunity to thank you all for your grand support to this mission and hope that it will be continued in the coming years. We request you to give us your E-mail address, for faster, cheaper and easier communication. You can mail us on samavedana@gmail.com. You may also follow us now on Facebook.

With warm regards,

Preeti Damle
Chief Executive Officer
