

July 2013  
Pune

Dear Sir/ Madam,

Greeting from Samavedana!

We are pleased to present the first issue of FY 2013-14 before you. (Breaking the **pratha** of 10 years,) / (For the first time in 10 years, it has happened that) we have not organized Annual Get together for our esteemed donors. The drought that most part of Maharashtra was facing was one of the reasons for postponing the event. We, however, are determined to conduct it in Nov/Dec.

Samavedana completed 10 years of serving poor patients this April. With positive energy and the same zeal that we had when we started Samavedana, we are moving forward and looking to change the health scenario for the poor. At the same time, we are reviewing our strengths and weaknesses. As a part of the review, we are conducting a small study by taking feedbacks from our donor members, doctors associated and staff and volunteers of Samavedana. We will share the findings with you in the next report.

Also, this quarter we helped as many as **40 patients** with financial aid in their treatments, the amount of help close to **Rs 25 lacs**.

With your support and contribution, we will continue to make notable contribution to underprivileged sections of society.

With warm regards,

Preeti Damle  
CEO, Samavedana

## Program wise Performance
