

Dear all,

The third quarter of the year ended with a sigh of relief, as we could reach the pre-decided milestone in the way to reach the target for the year.

The quarter as every year started with Pan-India *Utsav of Daan: Danotsav* between October 2nd & October 8th 2014. We had organized a lecture on 'Organ Donation' at Karve Institute of Social Service on October 8th before the students, who are potential ambassadors of goodness in society. We organized a second lecture in the series at Sinhgad Dental College and Hospital on November 25th, 2014. Dr. Vijaya Datye, an ardent volunteer of Samavedana delivered these lectures.

We witnessed another learning experience at 'Breast Friend Meet' – breast cancer survivors meet on 4th & 5th October 2014. I was invited at the meet as a panelist for the session 'Empowering myself'. We were amazed to see how brave the survivors are to face the hard facts of cancer & its social, physical & psychological jolt.

Apart from this, we participated 2 events: Upayan – an annual 'Giving' event by Deepstambh Foundation , where we could get 100+ pledge-forms filled & KISAN Agri-expo, where we participated for 5th consecutive year, reaching out to 25000+ people connected to agri-business.

The quarter was not only for promotion, but also for knowledge imparting & gaining. Samavedana was honored by famous management school at Mumbai: Narsi Monji Institute of Management Studies, by inviting us second time to share our fund raising strategies. Further, we attended Synergy Meet between 20th & 22nd November 2014. We learnt about financial planning, budgeting etc. Thanks to Drishti HRC, who is relentlessly organizing 'Synergy Meets' since 2007.

We are speaking of Companies Act 2013, mandating companies to spend 2% of their profits on development sector. We could say that the effect of the provisions is getting visible now. We got opportunity to present our work before management of 3 Corporates: Harbinger Systems, BNY Mellon & Yamasaki Mazak. Out of them, Mazak has contributed towards our primary activity of giving aid to needy for treatment.

We also got a chance to present our work before management of Kirloskar Pneumatic Company Ltd. through one of our donors, Mr Rajhans. Mr Rajhans, just retired from KPCL, he invited us for his fare-well ceremony where he donated his annual cheques before the management. He gave us the opportunity to present our work to the employees & management.

However, we lost 2 of our close associates: famous cine artist Mr. Deven Varma & Mrs. Rasika Phansalkar, Wife of Mr. Rajabhau Phansalkar, Past Chairman, Samavedana Executive Committee. Samavedana extends its sincere condolences to the family.

Now, looking ahead, the last quarter of the year, will be full of achieving targets, planning for next year, reviews & so on... We welcome your inputs & suggestion to take your Samavedana on the new heights.

With regards,

Preeti Damle

Chief Executive Officer

Important Events

- We celebrated **Danotsav** (Formerly known as Joy of Giving Week) by promoting and creating awareness of **Organ Donation**. We decided to educate potential ambassadors for the noble cause of organ donation. Strategically we conducted these awareness sessions at Karve Institute of Social Service on 8th October. A very enthusiastic audience including staff as well as MSW students attended this session.

Similarly we conducted an awareness lecture at Sinhgad Dental Hospital & College where more than 125 students and faculty members attended the interactive session. Dr Vijaya Date delivered these sessions.

- **'Drishti'** kept the tradition of organizing **'Synergy'** workshops. This year they chose **'Financial Management for NGOs'** as the topic of this 2 day workshop. Representatives from more than 10 NGOs were enlightened on many aspects of the topic by Mr Sanjay Patra and Mr Puran Jha.
- **NMIMS, Mumbai** invited Mrs Preeti Damle to deliver a lecture on 'Fund Raising Strategies' to the students of Diploma/PT MBA in Social Enterprises.
- **Yamazaki Mazak India Ltd**, a manufacturing industry giant with its factory unit in Pune has started sponsoring Samavedana activities under CSR. We feel proud to have their support and belief with us and welcome them to Samavedana family.
- **Volunteer Training Program:** With major events and joining of new volunteers in mind, we organized a volunteers training program for new as well as familiar volunteers. Agenda of this program was to train them about Samavedana programs and discuss volunteering opportunities.

- KISAN, India's largest agriculture expo 's Pune edition took place from 10th to 14th December. Samavedana makes use of this platform to reach to the needy ones by exhibiting Samavedana activities. More than 25,000 individuals visited this complimentary stall provided by the event organizers.

- Upayn: Upayn is an event where as many as 8 kind of donations (Books, Toys, Blood etc) take place under one roof. More than 1000 donors visited this event organized by 'Deepstambh'. We promoted Skin and Organ Donation here to collect more than 100 filled pledge forms.

Program wise Performance for this quarter:

1. Financial Aid to Patients :

No. of patients: 20 (new) + 11 (repeat): 31

2. Health Camps:
