

Reminiscences

Dear patrons,

We are delighted to announce that we got huge response from the donor community that is YOU and have crossed the mark of Rs. 2 Crores in cash and/or kind for the first time since its inception. We take this opportunity to thank each one of you who put the trust in us for your valuable time and money. We are sure, with this ongoing trust and support, we will be able to achieve our targets and far beyond.

Last quarter of a financial year is very important for any organization and completion of targets is the main agenda. We had a platter of things planned for the quarter and most of them were accomplished.

The beginning of the last quarter of 2017-18 was with spreading the message of love and warmth. Makarsankranti falls in this quarter and Samavedana as every year, distributed Tilgul (a sweet made from Sesame and Jaggery) to all patients and their relatives at the Sahyadri Group of Hospitals. We take this opportunity to thank Mrs. Sumedha Karmarkar for sponsoring *Tilgul* for about 1000 patients & 1000 staff members.

Under School health program we had planned to conduct an eye check-up for the students who were already screened under general health check-up. Check-up was conducted on 543 students from 20 villages. 106 spectacles were distributed and 60 students who need follow up, will be sent to the hospital, during their summer vacations. Samavedana thanks H V Desai Eye Hospital for their help in conducting these eye camps and also sponsoring the spectacles.

In an informal meeting we were fortunate to meet our State Education Minister, honourable Mr Vinod Tawade. We took this opportunity to acquaint him about the program. His office is responsible for Pune Zilla Parishad Education Department under whose authorisation this program of School Health is implemented. He was very impressed by our initiatives and holistic approach, therefore could rightly relate the program as the comprehensive 'Adolescent Health Program' and not just 'Sex Education Program'. He has shown keen interest to visit our work area in Mulshi. We will grab this opportunity to engage him in the program so as to scale high.

Two important events took place in our Cancer Screening program.

1.We have initiated an annual event called Parikrama – Ek Paool Arogyakade. It is a walkathon that will be held in January every year. This is a 3 km walk for women from lower economic class. It was a mega event where around 230 women participated. Before the walk a Zumba event was also held which was enjoyed by these women. It was a memorable event for the women, especially, who received medals for the first time in their lives.

2. In another important development, we received a grant from BNY Mellon for purchase of iBreast Exam - a device to screen the breast on a community level. Rotary Club of Poona have generously sponsored with a mammography machine and a vehicle for commuting women to & fro their *vasti* to hospital.

As mentioned in the opening lines of this report we are thankful to you, patrons, for supporting us. With the same confidence we also ask for your continuous support in terms of donations and participation. We are offering an opportunity for this through our new initiative – 'Samavedana Fellowship Program'. It is a program channelized for exchanging knowledge and experiences. This program is aimed to involve individual participation towards making this world a little better place.

A big thank you from Team Samavedana and looking forward to a new year that is full of opportunities and excitement. Also wish you a wonderful year 2018-19. Warm regards,

Preeti Damle, CEO

12th Jan and 8th Feb: We had screened students from 20 villages for vision related issues in children under School Health Program. Shortlisted 543 students from the screening underwent ophthalmology specialty camp at 2 centers for 15 schools. 106 students required eye glasses and are duly provided with. The responsibility of eye check-up eye glasses was taken by HV Desai Eye Hospital, Hadapsar

Important Events

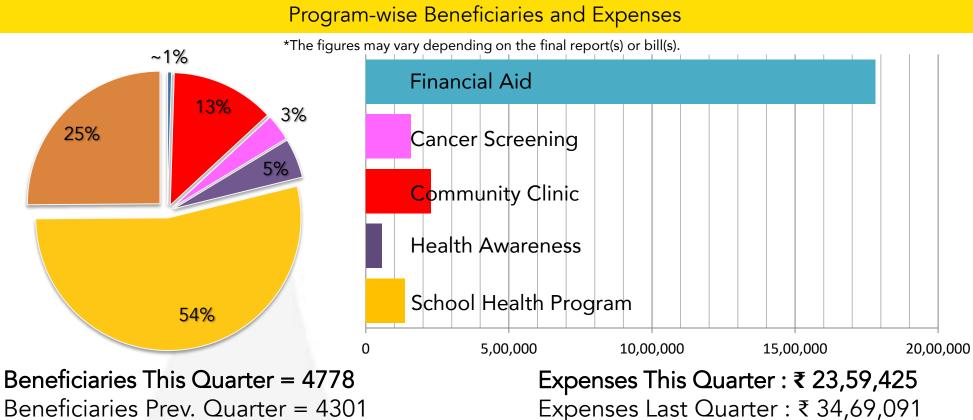

19th Jan: Pune Municipal Corporation and Step Up Foundation organized а Program called Samyak Samvad. Its core was sharing review and learnings from Step-up's intervention about Adolescence issues at PMC schools in Pune. Mrs Damle and Dr Dalvi were fortunate to meet Mr Vinod Tawade, Stat Education Minister at the vent, who was all praise for Samavedana's School Health Program at Mulshi.

21st Jan : Parikrama – Ek aarogyakade, paool а walkathon, was organized for community in Upper Indiranagar. The first of its kind health walk that created awareness of health and cancer in women was experienced by 230 women. 'This is the first time we did Zumba and also we are recognized with a medal. We feel very proud and happy.', said 70 yr old lady from the community

23rd March: Samavedana is running cancer screening Program for past 9 years. To upscale and expand the reach, Rotary International and Rotary Club of Poona has donated Mammography Machine and a Van to the Program. This vehicle will help us commute women for cancer screening to the hospital in Hadapsar mammography where machine is installed.
