

Retrospect

Namaskar!

After the festive mood of Annual Program, Samavedana was back to work in this quarter with full zeal and zest. This year we also had a fund raising program – 'Charity Dinner with Harsha Bhogale'. We are happy to share that we could raise almost Rs. 10 Lacs from the event with a surplus of Rs. 6 lacs. In this program we launched Community Based Cancer Screening Program at the hands of Hon. Mayor Mrs. Mukta Tilak & Mr. Rajiv Jain, CMD, KSB Pumps presided over the function.

One major achievement in first quarter was floating of 'Mobile Clinic' in Mulshi tehsil, run in partnership with Health Department, Pune Zilla Parishad. Fully equipped with facility for check-up, diagnostics, health education, ambulation of patients and emergency treatment, the clinic is serving 13 remotely located villages.

The second quarter opened with new avenues of fund raising. We participated in Bruhan-Maharashtra Mandal's Biannual Convention 'BMM2017' organized at Grand Rapids, Michigan, USA. The convention is attended by more than 4000 Marathi speaking people from North America. We had a stall in the exhibition there. This was our second time presence in BMM, but we got moderate response as compared to earlier one in 2015. We are looking forward to the prospective donors' visit to us, in winter this year and the donations there through.

This quarter was fully occupied by School Health Program (SHP). It has all 3 elements of healthcare – Treatment, prevention and awareness. In tune with this, we finished check-up of students from 17 schools, out of 28 designated from class V to X. We could also impart education about Adolescence Reproductive and Sexual Health (ARSH) in 17 schools. 3 training sessions were conducted for ASHA workers, who are going to be mediator between schools, village and Samavedana. SHP is authenticated by Pune Zilla Parishad's Education Department and was inaugurated at the hands of Mr Shukracharya Wanjale, Ex-Chairman, Education Committee, Pune ZP.

However, focus on SHP, resulted in less number of Cancer screening and check ups is evident from the numbers below.

Towards end of the quarter, we were honoured by 'Pune NGO's Leadership Award' by 'World CSR Day Foundation, Mumbai' at the hands of Dr. Harish Mehta, Founder Chairman, Onward Group in presence of Mr Chetan Wakalkar, Group Director, Indira Group of Institutes, Pune.

SHP being set, we are now geared up to re-focus on cancer screening and check-up camps for women and children. Our next quarterly report will tell you more on this.

Warm regards,

Preeti Damle
 CEO
