

## Retrospect

Namaskar!

At this moment, my heart is full of gratitude: gratitude towards every donor making possible the task of saving lives, gratitude towards the doctors who work relentlessly for saving our fellow humans, gratitude towards the volunteers, mentors, advisors who contributed their efforts, time and skills for us to reach large numbers in little human resource at hands and gratitude towards everyone who was instrumental in taking us towards our aim.

I am pleased to present before you the report of last quarter of the year 2016-17. If one asks me to rate our performance through the year, I would mark, definitely on positive highs of the graph.

This year completely and the last quarter, specifically was very momentous due to the spread of Samavedana through various programs. We are proud to mention that we are increasing in multifold, in number of projects, in number of beneficiaries and in terms of finances as well.

I will not talk about the numbers and statistics here; it is mentioned in the report. What I look at as more important, we all were engrossed in cultivating ourselves to face the change in the coming year. As you are aware, Samavedana scope is increasing at very high pace. We look forward to 3 new programs to be started in FY 2017-18 and are now equipped for the same. 3 new members joined our team in the last quarter. We welcome them aboard. And anticipate many more to join.

At the end, I feel glad to request you to mark evening of Saturday, May 13th, 2017 in your diary. We will be celebrating our 14th Annual Day on this day. Famous cricket commentator Mr Harsha Bhogle, Mr Sunandan Lele and stand-up comedian Mr Vikram Sathaye have agreed to perform their 'Bara Gavacha Paani' on this occasion. Formal invitation will follow in due course of time.

We look forward to a year full of success stories of various projects under Samavedana! We wish you all the same.

With warm regards,

Preeti Damle  
 CEO

## Important Events

**20<sup>th</sup> Jan:** KSB Care Charitable Trust, a CSR wing of KSB Pumps Ltd, donated an equipped Mobile Clinic to Samavedana. This OPD vehicle will serve with primary medical services to the underserved Mulshi tehsil area in partnership with Zilla Parishad Pune's Health Department.

**9<sup>th</sup> to 15<sup>th</sup> Feb:** Samavedana Clinic in Upper Indiranagar marked its first anniversary. To celebrate the occasion, the clinic served the patients from community absolutely free at the center as well as through Mobile Clinic at various locations in the community.

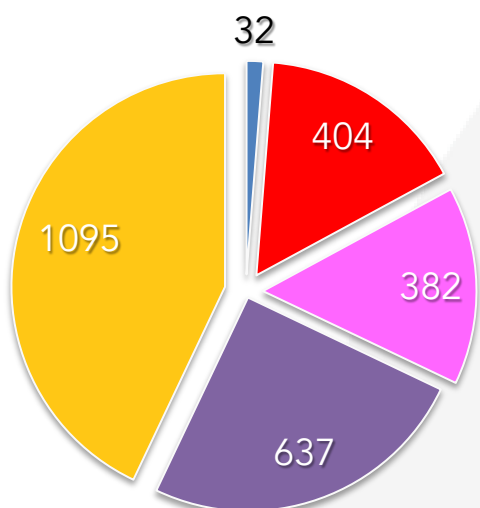

7 Health Talks and 4 Check Up Camps were conducted during this period benefitting about 200 and 437 individuals respectively. Check up camps were focussed on women and children's health where in health talk mainly addressed problems faced by adolescent aged girls.

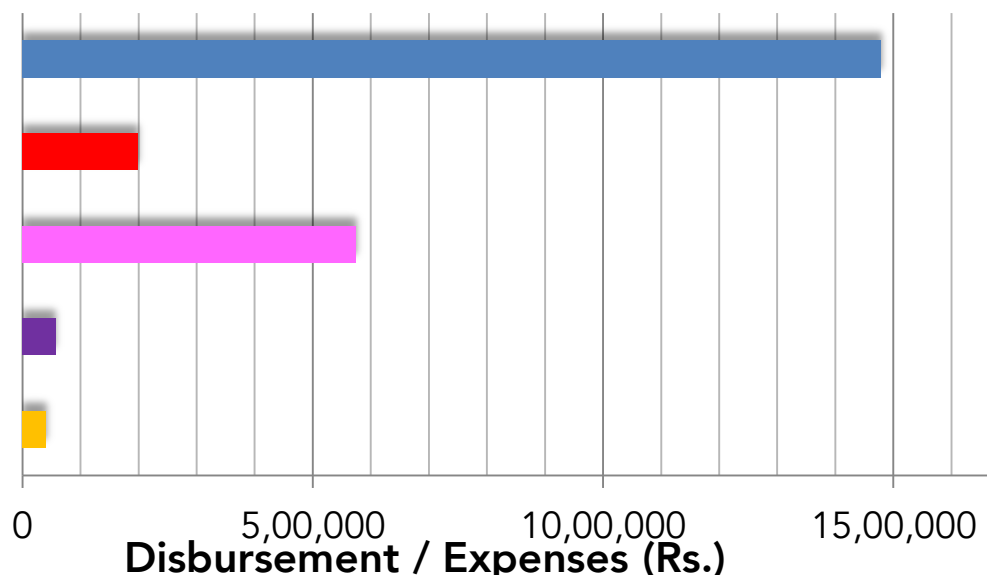

We continued further interventions in the Schools (In Asade, Panshet and Upper Indiranagar) with focussed group discussions and interactive session on 'What Arogya Is?'. These interventions are helpful in identifying students' health understandings and needs.

# Programme-wise Beneficiaries & Disbursement
